## SHELL AND CABINET COLORS

# COLOR SELECTION GUIDE

## SHELL COLORS:

The interior shell of a spa is a distinct design element to its overall appearance. Most portable spa brands have an acrylic shell available in multiple styling effects.

We've partnered with a leading manufacturer of cast acrylic for spas. Their color lab works with interior design and color consultants from all over the world to ensure its colors and surface effects are consistently in tune with what spa owners want. And that's exactly what Saratoga Spas® offers you.

Smoky Mountain

Tuscan Sun

Silver Marble

Midnight Canyon

**IMPORTANT:** Samples represent photo reproduction of material. See dealer samples for the most accurate representation of color & texture. Marble shell finishes do not form in similar patterns and are uniquely independent. Be aware of this when choosing a marble shell color option. See your Saratoga Spa® dealer for more information.

## CABINET COLORS:

Saratoga Spa® uses the Weather All™ Corduroy Cabinet Design on the Luxury and Limited Edition Models and the Multi Weather™ Classic Wood Grain Design on the Special and Cottage Edition Models. The spa cabinets are manufactured with the finest quality materials utilizing the durability of resin and plastic designed cabinets. The Saratoga Spa Cabinets combine the ease of low maintenance with a contemporary style and finish.

Luxury Edition  
Vertical Corduroy

Limited Edition
