

Saratoga Spa

BUYERS GUIDE

Welcome to a comfortable buying experience...

The Spa Buyers Guide allows you to get comfortable with your spa shopping experience. The Spa Buyers Guide gives you an easy to follow comparison of the important spa buying categories. This allows you to manage the facts of several spa brands, right at your fingertips. The Spa Buyers Guide will remind you to get the answers to the important spa buying questions, enabling you to make the best spa buying decision for you and your family.

Remember, when shopping, allow the salesperson to present their product first. This will answer many questions if presented with knowledge and professionalism. We at Saratoga Spa hope you find the Spa Buyers Guide beneficial while creating an enjoyable buying experience.

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

The value of this decision should be based on more than a couple of features and a low price. Look at each spa as a whole, taking into account all the Spa Buyers Guide categories. The true “Best Overall Spa Value” will be “The Sum Of All Its Parts”.

As you know this is your decision, so make sure it makes sense for you and your family before you get into hot water.

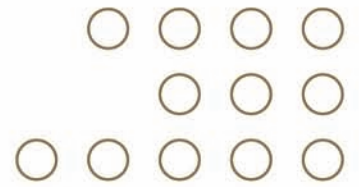

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Congratulations!

If you have reached this point of your spa buying experience, you have just one more thing to do. Make the correct spa buying decision for you and your family! No problem, right? The facts are at your fingertips. The experience of showrooms and personnel are in your head.

What do you remember regarding the comfort level you felt at the dealership? How about their ability to present the product? Does their product consistently fulfill the categories listed in the Spa Buyers Guide? You may need to revisit your top choice dealerships to gain more insight into making a comfortable buying decision.

COMFORT

(The Impression of Professionalism) + (A Balanced Product Solution) =
Your Comfortable Buying Decision

Getting to the bottom of a great spa!
