March 30, 2026

Dear Valued Customer,

Like many businesses, we have experienced significant increases in the cost of materials and operations. To continue delivering the quality and service you rely on, **we will be adjusting our pricing effective 5/1/2026**, please see the attached increase letters from our vendors.

Effective May 1, 2026 all products will be increased by \$0.06 per pound.

As always, we appreciate your business and your understanding at this time. When the supply and demand pressure is corrected, we expect pricing to readjust, and we are committed to passing on any price reductions to our customers.

Please feel free to contact your account manager with any questions you may have.

Sincerely,
Forest Knight
President
